

AUDIT COMMITTEE

THIS CHARTER WAS APPROVED BY THE BOARD ON JUNE 23, 2020

PURPOSE

The purpose of the Audit Committee (the “*Committee*”) of the Board of Directors (the “*Board*”) of Nurix Therapeutics, Inc. (“*Nurix*”) is to assist the Board in fulfilling its oversight responsibilities relating to:

- Nurix’s accounting and financial reporting processes and internal controls, including audits and the quality and integrity of Nurix’s financial statements and reports;
- the qualifications, independence and performance of Nurix’s independent auditors (the “*Independent Auditors*”);
- risk assessment and management; and
- compliance by Nurix with legal and regulatory requirements.

This charter (the “*Charter*”) sets forth the authority and responsibility of the Committee in fulfilling its purpose. The function of the Committee primarily is one of oversight. Although the Committee has the responsibilities and powers set forth in this Charter, it is not the Committee’s duty to plan or conduct audits or to determine that Nurix’s financial statements are complete, accurate and in accordance with generally accepted accounting principles. Instead, those are responsibilities of Nurix’s management and the Independent Auditors.

The Committee will maintain and foster an open avenue of communication with Nurix’s financial management and Independent

Auditors.

MEMBERSHIP

Size and Appointment

The Committee will consist of three or more members of the Board, with the exact number determined by the Board. All members of the Committee will be appointed by the Board and will serve at the Board’s discretion. Members of the Committee may be replaced or removed by the Board at any time, with or without cause. Resignation or removal of a director from the Board, for whatever reason, will automatically constitute resignation or removal, as applicable, from the Committee.

Qualifications

Members of the Committee must meet the following criteria as well as any additional criteria required by applicable law, the rules and regulations (the “*Commission Rules*”) of the U.S. Securities and Exchange Commission (the “*Commission*”) or the rules and regulations of the securities exchange on which Nurix’s securities are listed (the “*Exchange Rules*”), or such other qualifications as are established by the Board from time to time:

- Each member of the Committee must meet the independence requirements of the Commission and of the listing standards of the securities exchange on which Nurix’s securities are listed.
- Each member of the Committee must be

able to read and understand fundamental financial statements and otherwise must comply with all financial-literacy requirements of the securities exchange on which Nurix's securities are listed.

- No member of the Committee shall have participated in the preparation of the financial statements of Nurix or any current subsidiary of Nurix at any time during the past three years.
- At least one Committee member will have past employment or management experience in finance or accounting, or any other comparable experience or background resulting in similar financial sophistication, as determined by the Board and as required by the Exchange Rules. In addition, at least one Committee member must qualify as an "audit committee financial expert" as defined in the Commission Rules.

Notwithstanding the foregoing, Nurix may avail itself of any phase-in rules or interpretations applicable to newly-listed companies in connection with an initial public offering.

Chairperson

The Board may appoint a member of the Committee to serve as the chairperson of the Committee (the "**Chair**"). If the Board does not appoint a Chair, the Committee members may designate a Chair by majority vote. The Chair with financial management will set the agenda for Committee meetings, and the Chair will preside over and conduct the proceedings of Committee meetings.

RESPONSIBILITIES AND DUTIES

The principal responsibilities and duties of the Committee are set forth below. These responsibilities and duties are set forth as a

guide, with the understanding that the Committee will carry them out in a manner that is appropriate given Nurix's needs and circumstances. The Committee may perform such other functions as are consistent with its purpose and applicable law, rules and regulations, as the Board may request or prescribe, or as the Committee deems necessary or appropriate consistent with its purpose.

 - Nurix's annual audited and quarterly unaudited financial statements and annual and quarterly reports on Form 10-K and 10-Q, including the disclosures in "Management's Discussion and Analysis of Financial Condition and Results of Operations," and recommend to the Board whether the annual financial statements should be included in Nurix's Annual Report on Form 10-K;
 - the results of the Independent Auditors' audit or review of the financial statements;
 - any items required to be communicated by the Independent Auditors in accordance with the

applicable requirements of the Public Company Accounting Oversight Board (the “*PCAOB*”); and

- any significant issues, events and transactions, as well as any significant changes regarding accounting principles, practices, policies, judgments or estimates.

Internal Controls

With respect to Nurix’s internal controls, the Committee will:

1. Review and discuss with Nurix’s management and the Independent Auditors, and provide oversight over, the design, implementation, adequacy and effectiveness of Nurix’s accounting and financial processes, and systems of internal controls and material changes in such controls, including any significant deficiencies and material weaknesses in their design or operation.
2. Review any allegations of fraud that are disclosed to the Committee involving management or any employee of Nurix with a significant role in Nurix’s accounting and financial reporting process and systems of internal controls.
3. Discuss any comments or recommendations of the Independent Auditors outlined in their annual management letter or internal control reports.

believe should be discussed privately with the Committee.

5. Establish procedures for (a) the receipt, retention and treatment of complaints received by Nurix regarding accounting, internal accounting controls or auditing matters, and (b) the confidential anonymous submission by employees of Nurix of concerns regarding questionable accounting or auditing matters. Oversee the review of any such complaints and submissions that have been received, including the current status and the resolution, if one has been reached.

1. Be directly responsible for the selection, appointment, discharge, compensation, retention and oversight of the work of the Independent Auditors and any other registered public accounting firm engaged for the purpose of preparing and issuing an audit report or performing other audit-related services for Nurix. The Independent Auditors will report directly to the Committee.
2. Review and discuss with the Independent Auditors and management (a) any significant audit problems or difficulties, including difficulties encountered by the Independent

Auditors during their audit work (such as restrictions on the scope of their activities or their access to information), (b) any significant disagreements between management and the Independent Auditors, and (c) management's response to these problems, difficulties or disagreements.

3. Review the qualifications, performance and continuing independence of the Independent Auditors, including:
 - obtaining and reviewing, on an annual basis, a letter from the Independent Auditors describing (a) all relationships between the Independent Auditors and Nurix required to be disclosed by applicable requirements of the PCAOB, (b) the Independent Auditor's internal quality control procedures, and (c) any material issues raised by the most recent internal quality control review, peer review or PCAOB review or inspection of the firm or by any other inquiry or investigation by governmental or professional authorities;
 - reviewing and discussing with the Independent Auditors relationships or services (including permissible non-audit services) that may affect their objectivity and independence;
 - overseeing the rotation of the Independent Auditors' lead audit and concurring partners and the rotation of other audit partners, with applicable time-out periods, in accordance with applicable law; and
 - taking such other appropriate actions as may be required or desirable by the Committee to oversee the

independence of the Independent Auditors.

5. Review the Independent Auditors' annual audit plan, scope of audit activities and staffing.

Approve the fees and other compensation to be paid to the Independent Auditors (or other registered public accounting firms) and pre-approve all audit and non-audit related services provided by the Independent Auditors (or other registered public accounting firms) permitted by the Exchange Rules, Commission Rules and applicable law or regulation. The Committee may establish pre-approval policies and procedures, as permitted by the Exchange Rules, Commission Rules and applicable law, for the engagement of the Independent Auditors (or other registered public accounting firms) to render services to Nurix including, without limitation, policies that would allow the delegation of pre-approval authority to one or more members of the Committee.
7. Review and discuss with the Independent Auditors the reports delivered to the Committee by the Independent Auditors regarding:
 - critical accounting policies, estimates and practices used;
 - alternative treatments of financial information within generally

accepted accounting principles that have been discussed with management, the ramifications of those alternatives and the treatment preferred by the Independent Auditors;

- any material written communications between the Independent Auditors and Nurix's management; and
- any matters required to be communicated to the Committee under generally accepted auditing standards and other legal or regulatory requirements.

Risk Oversight and Compliance

The Committee will have the sole authority to approve the fees and other retention terms of such advisors.

Nurix will provide for appropriate funding, as determined by the Committee, for:

- payment of compensation to any

consultants, accountants, legal counsel, experts and other advisors retained by the Committee; and

- ordinary administrative expenses of the Committee that are necessary and appropriate in carrying out its functions.

DELEGATION OF AUTHORITY

The Committee may from time to time, as it deems appropriate and to the extent permitted under applicable law, the Exchange Rules, the Commission Rules and Nurix's Certificate of Incorporation and Bylaws, form and delegate, either exclusively or non-exclusively, authority to subcommittees. Subcommittees of the Committee will consist of one or more members of the Committee who will

regularly report on their activities to the Committee.

The Committee shall have the authority to request that any of the Company's personnel, counsel, accountants (including the Independent Auditors), investment bankers, or any other consultant or advisor to Nurix, attend any meeting of the Committee or meet with any member of the Committee or any of its outside legal, accounting or other advisors or consultants.

REVIEW OF COMMITTEE COMPOSITION, PERFORMANCE AND CHARTER
